

Hello, my name is Jade Kennedy and I own Apples on the Tree Family Day Care. We are an animal friendly service and we love spending time with our very own mini petting zoo! I started my Early Childhood career in 2005, including experience in Family Day Care and Long Day Care settings. I achieved an award for "Educator of the Year 2016" for the Sunshine Coast and North Brisbane region, which was a very proud moment for me. Within our service, each child is guided through an educational program, specific to their individual needs and their progress is documented and extended upon, using a range of tools and processes. Family Day Care is a fantastic opportunity for young Children, to learn and develop in a safe, nurturing home-based environment.
