Hello,

My name is Karen and I have had my Family Day Care for 4 years now and can't imagine doing anything else.

I have my Certificate 3 in Child Care and am always looking at ways to improve myself and my business.

I started with a lovely room in the garage then gradually divided the room into 4 with half walls then my lovely husband added a top floor to half the room providing plenty of fun play space.

I love doing Arts and Crafts with the kids and I'm always on Pinterest looking for the next experiment or craft idea.

We are also constantly improving my outdoor play area, recently adding a fort and bird aviary filled with quite a few different birds. Everything from budgies to parrots, button quails, diamond doves and golden pheasants.

It is a lot like a animal sanctuary with 2 Burmese cats and our newest addition our gorgeous Samoyed puppy as well as all of our gorgeous birds.

Take Care,

Karen
